OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

CARL W. CARLSON

Claim No. CU-5316

Decision No. CU **3378**

Under the International Claims Settlement
Act of 1949, as amended

Represented by Cia. Azucarera Vertientes-Camaguey de Cuba

Counsel for Cia. Azucarera Vertientes-Camaguey de Cuba:

PROPOSED DECISION

Claimant, CARL W. CARLSON, who owned a stock interest in the Cia. Azucarera Vertientes-Camaguey de Cuba, asserts a claim under Title V of the International Claims Settlement Act of 1949, as amended, against the Government of Cuba because of its nationalization of said Company.

In our decision entitled the Claim of Ruth Anna Haskeu (Claim No. CU-0849 which we incorporate herein by reference), we held that the properties owned by the Company were nationalized or otherwise taken by the Government of Cuba on August 6, 1960, and that this type of claim is compensable to an American national under the facts and conditions set forth therein. We need not again detail here the reasons or the method used in determining the value per share of \$46.3946.

On the basis of evidence in the record in the instant case, the Commission finds that this claimant comes within the terms of the Haskeu decision; that he was an American national at the requisite times; that he has been the owner of 1,800 shares of stock in the Cia. Azucarera Vertientes-Camaguey de Cuba since prior to August 6, 1960; and that he suffered a loss in the amount of \$83,510.28 with respect to such shares within the meaning of Title V of the Act.

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

Section 507 of the Act provides, as to assignment of claims, that

(b) The amount determined to be due on any claim of an assignee who acquired the same by purchase shall not exceed (or, in the case of any such acquisition subsequent to the date of the determination, shall not be deemed to have exceeded) the amount of the actual consideration paid by such assignee, or in case of successive assignments of a claim by any assignee.

On the basis of evidence of record, the Commission finds that claimant also owns 200 shares of Vertientes stock acquired by purchase on September 26, 1960 for a consideration of \$541.65.

Under the provisions of Section 504(a) of the Act, a claimant is required to establish that the claim for any loss has been continuously owned by a national or nationals of the United States from the date of loss to the date of filing with the Commission. The loss occurred on August 6, 1960. In similar cases, claimants have been unable to obtain information or evidence to establish the nationality of the owner of the securities on the date of loss, and to establish continuous United States ownership of the securities until the date on which claimant acquired them.

Evidence of record before the Commission discloses that securities of the type subject of this claim were almost entirely owned and traded by persons or firms having addresses in the United States. The Commission has considered whether an inference may be justified that the claimed

securities were continuously owned by a national or nationals of the United States from the date of loss to the date on which purchased by the claimant, and, in the absence of evidence to the contrary, has concluded that the securities were continuously so owned. (See Claim of the Executors of the Estate of Julius S. Wikler, Deceased, Claim No. CU-2571.)

The Commission finds that claimant, upon his purchase of the last-mentioned 200 shares, succeeded to the loss sustained by the assignor of the claimed securities, and concludes that he succeeded to and suffered a loss with respect to those shares in the amount of \$541.65 (the price he paid) as a result of the nationalization of the company on August 6, 1960.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See Claim of Lisle Corporation, Claim No. CU-0644.)

The Commission concludes, however, that the amount of loss sustained by claimant herein shall be increased by interest thereon at the rate of 6% per annum from August 6, 1960 on 1,800 shares and as to 200 shares, from September 26, 1960, the date on which claimant acquired this part of his claim, to the date on which provisions are made for the settlement thereof.

CERTIFICATION OF LOSS

The Commission certifies that CARL W. CARLSON suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Eighty-four Thousand Fifty-one Dollars and Ninety-three Cents (\$84,051.93) with interest at 6% per annum on \$83,510.28 from August 6, 1960, and on \$541.65 from September 26, 1960, to the date of settlement.

NOTICE TO TREASURY: The above-referenced securities may not have been submitted to the Commission or if submitted, may have been returned; accordingly, no payment should be made until claimant establishes retention of the securities for the loss here certified.

The statute does not provide for the payment of claims against the Government of Cuba. Provision is only made for the determination by the Commission of the validity and amounts of such claims. Section 501 of the statute specifically precludes any authorization for appropriations for payment of these claims. The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba.
